

## Placard Pty Ltd becomes the 1<sup>st</sup> VISA APPROVED Card Manufacturer in AUSTRALIA to produce Dual Interface Cards

Placard has received approval from VISA to produce Dual Interface cards in its high secure facility in Victoria.

This is a great achievement as Placard is the only Australian company to be awarded such certification. \

### Product Approval Notification

Visa Approval Services is pleased to notify Placard that your chip card product with the reference number of LBPLAC1196A has been granted an approval.
